

The ScholarSkills Writer's Checklist.

1

Check for complete sentences.

2

Make sure that your sentences are either combined or separated properly.

3

Make sure that the subject-verb relationship within each sentence is clear and easy for the reader to identify.

4

Make sure that you have created logical relationships (or connections) within and between your sentences.

5

Check your punctuation and spelling.

6

Review your entire paragraph or essay for clarity.
